**MOTION FOR LEAVE TO FILE CORRECTIONS TO
COMMENTS OF THE CONSUMER FEDERATION OF CALIFORNIA
ON THE SETTLEMENT AGREEMENT BETWEEN THE
DIVISION OF RATEPAYER ADVOCATES AND SAN JOSE WATER COMPANY
ON WRAM AND CONSERVATION RATE DESIGN ISSUES**

By this Motion, the Consumer Federation of California ("CFC") asks leave to make numerical corrections to Comments previously filed herein on December 13, 2007. In support of the Motion, CFC states as follows:

On December 26, 2007, the Administrative Law Judge issued a Ruling Re Phase

1B Settlements which, among other things, ordered San Jose Water Company ("SJWC"), the Division of Ratepayer Advocates ("DRA") and the CFC to meet and confer and then file a "stipulation of facts and a statement of contested facts" on or before January 25, 2008.¹ During the course of the negotiations, CFC discovered that the principal document used in developing some of the numbers used in its Comments had been misread. In order to have a clear record for the Administrative law Judge to examine in determining whether or not to schedule a hearing, CFC has corrected the numbers in Comments previously filed and seeks leave to re-file its Comments with accurate numbers substituted in the testimony, a rate design proposal which reflects those corrections, and corrected exhibits. Examination of the corrections will reveal that no substantive changes have been made in the text of the Comments or in the theory underlying the Comments.

A copy of the Comments and exhibits reflecting the corrections to be made by the CFC is attached to this Motion. If the motion is granted, the CFC will file a "clean" copy of the Comments to be included in the record.

Dated: February 8, 2008

Respectfully submitted,

CONSUMER FEDERATION OF CALIFORNIA
